

Dear Frassati Catholic Families:

Frassati Catholic High School is pleased to announce we've continued our partnered Follett Virtual Campus as our online bookstore provider for the 2020-2021 school year. For more than 145 years, family-owned Follett has served the education market by inspiring learning and shaping education. Follett's dedicated team will help ensure your student has all required textbooks and digital access.

Our teachers have selected the course materials required for the upcoming school year, and the Follett team has worked to make the books available via our online bookstore.
